

S/V SECOND WIND - 1981 ENDEAVOUR 43 KETCH

A Robert Johnson design, built in Largo, Florida by the Endeavour Yacht Company

\$85,500.00

Second Wind is a comfortable heavy displacement center-cockpit cruiser with large living quarters and a generous 6' 7" headroom. The boat can accommodate up to 7 and has two staterooms both with ensuite heads. The master (aft) stateroom has a transverse full-size berth, ElectroScan head, separate shower, ample storage and a large cedar lined hanging locker. The forward stateroom has a full-size berth with a private holding tank head, wet head shower, hanging locker and storage drawers. The settee in the salon pulls out to provide a double berth.

All instruments are connected with Raymarine SeataalkNG and NMEA 2000 networks. The ship's Wi-Fi network provides both full-time Internet connectivity and gateway to navigation network.

Specifications

LENGTH: 43'

LOA: 51' w/bowsprit and dinghy

LWL: 35'0"

Beam: 14'0"

Draft: 5'6"

Mast Height: 61'

Displacement: 41,000lbs

Ballast: 12,000 lbs (Encapsulated lead)

Fuel: 153 gl (diesel)

Water: 200 gl

Holding Tanks: 1 X 28 Gallon

Auxiliary Power: Perkins 4-154 (60 hp)

Transmission - Hurth 250-3.0 (Jan 2014)

Vessel Information

Vessel Name: Second Wind

Home Port: Deltaville, VA

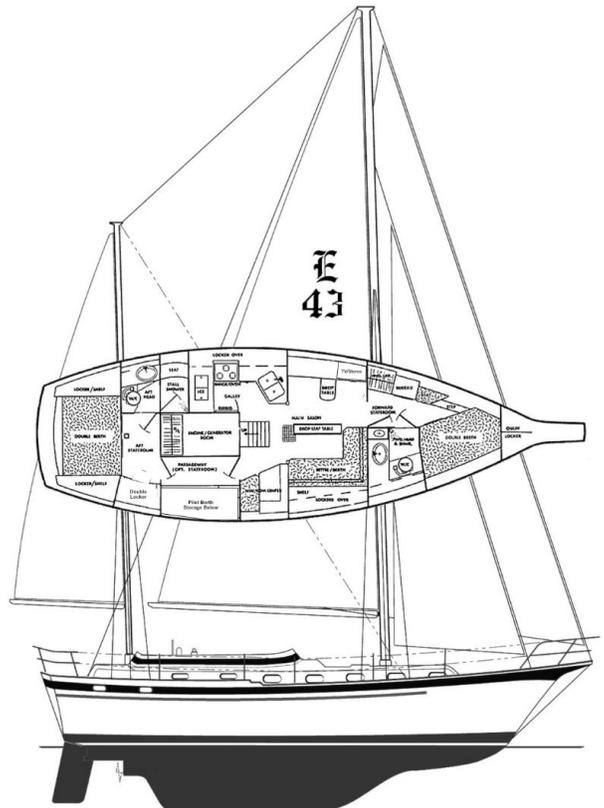

USCG Registered Vessel: 631543

HID: ENC4311761180

MMSI: 367158090

Ship Station License: WDD5417

EPIRB: 2DCC753544FFBFF 406 MHZ EPIRB, 121.5 MHZ EPIRB

Owner comments

We moved aboard Second Wind 18 ½ years ago and never looked back. Constantly updated with the latest electronics and hardware for sailing / cruising, she has taken us over 100,000 nautical miles in safety and comfort. Even though old, the engine has been super reliable including a 1,500 trip down the U.S. east coast last fall without problems. She is big and beamy with tons of storage everywhere.

Highlights

- Complete Raymarine Navigation Equipment Upgrade (2021)
- Starlink high-speed satellite internet (2023)
- Lofrens Tigres windlass
- Rocna 25 anchor (2014)
- 200' 5/16" High Test anchor chain (2019)
- (3) Topoint 190w solar panels (2016)
- MorningStar MPPT Smart Solar Controller, 80 amp (2016)
- Vesper Marine XB-2000 AIS (2015)
- Siren Marine vessel security and system monitoring (2022)
- Force 10 3 burner propane stove with oven
- Little Wonder Watermaker
- Custom Sunbrella canvas/isinglass cockpit enclosure (2019)
- 11.5 foot West Marine (Achillies) RIB dinghy w/Tonhatsu 20HP, 4-stroke outboard (2019)
- Custom Sunbrella chaps for dinghy (2019)
- Replaced and re-bed 18 port lights (2020)
- Spacious 6' 7" headroom
- Large center cockpit

Mast & Rigging

- Sails: Jib (2014), Main (2014), Staysail, Mizzen, Mizzen Staysail
- Jib Roller Furling - Harken ESP Unit 2 (2017)
- Mainsail Roller Furling - Harken Mark IV, Unit 1 (2017)
- Aluminum mast and booms with boom vang
- Lewmar 42 two speed self-tailing staysail sheet winch
- Lewmar 30 two speed self-tailing mainsail roller and outhaul winch
- Rope clutch for mainsail roller and outhaul
- 2 Lewmar 55 two speed self-tailing genoa winches
- Rope clutch for Jib roller line
- 2 Lewmar 40 two speed winches on main mast
- Rope clutch on main mast for main halyard
- Lewmar single-speed 8 winch on mizzen mast
- Sunbrella sail covers
- Main sheet traveler located conveniently on the aft cockpit combing

Auxiliary Propulsion

- Perkins 4-154, North American diesel, 60hp, 7,800 hours
- Upgraded Hurth 250-3.0 (ZF 25M) transmission (new 2014)
- 3 blade bronze propeller 20HR18 (2020)
- Spare 3 blade bronze propeller
- 150 amp Balmar alternator
- Racor 500 fuel filter
- Prop shaft 1 1/4"

Deck

Ground Tackle

- Lofrens Tigres horizontal windlass, chain and rope capstans
- Windlass deck foot switches
- Rocna 25 Anchor
- 200' galvanized 5/16 High Test anchor chain (2019)
- Stainless steel anchor swivel (2109)
- Custom anchor snubber bridle with chain hook and rode for (2) anchors
- Secondary bow roller with Bruce anchor, 50' 5/16 High Test chain, 200' 5/16 rode
- Spare Danforth anchor in foredeck locker

Deck Fittings

- Dinghy davits
- Large swim platform with boarding ladder
- Outboard motor rail mount
- Stainless steel propane grill, rail mounted (2020)
- Stainless steel lifelines with Suncor fittings (2020)
- Aluminum solar panel mounting system above dinghy davits (2020)
- Aft lifeline replacement with stainless rails and solar panel mounts (2020)
- Lazarette with fresh water hose bib inside
- Custom canvas covers for all outside equipment

New Bow Pulpit (2018)

- Removed and replaced all teak. Finished new pulpit with Awlgrip Awlwood clear varnish
- Rebuild / repaint / re-bed Tigress windless
- Re-bed both anchor rollers
- New LED navigation lights

Electrical and Power Generation

- (3) Topoint 190 watt Solar Panels (2016)
- Morningstar Smart Solar MPPT Controller (2016)
- Freedom XC Pro 3000 Inverter with Freedom Bluetooth Remote (2021)
- 840 amp-hour custom lithium house battery bank (2021)
- Daly 250 amp SmartBMS (2021)

- Air Breeze 20 wind generator with Low-Noise carbon fiber blue blades
- 150 Amp Balmar alternator with programmable Balmar MC-614 voltage regulator
- 12 volt and 120 panels in passageway
- 12 volt outlets throughout the boat
- AC outlets throughout the boat
- Multiple USB charging outlets

Cockpit

Helm

- NavPod with navigation instruments mounted on stainless steel pedestal guard (2021)
- Binnacle mounted lighted compass
- Wheel brake replaced (2021)
- Steering cables replaced (2017)
- Stainless steel Destroyer wheel, removable
- Standard Horizon VHF with AIS interface and DSC distress button

Cockpit

- Stainless steel removable enclosure frame
- Custom Sunbrella canvas/isinglass enclosure
- Five panels that can be rolled up or removed
- Edson Teak folding cockpit table finished with Awlgrip Awlwood varnish (2023)
- Cockpit cushions with custom covers and 2 adjustable SportSeats
- Four cockpit storage lockers
- Stereo speakers
- Engine control panel with anchor and spreader lights switch panel
- Port side external propane locker with 20lb horizontal tank
- Starboard side external locker with backup 20lb horizontal propane tank

Navigation and Instruments

Helm

- Raymarine Axiom Pro 9S MFD (2021)
- Raymarine Quantum Radar (2021)
- Navionics+ Coverage Area: Southern USA, Mexico, Caribbean to Brazil
- Raymarine p70s autopilot control head (2021)
- Raymarine i70s multi-display - wind (2021)
- (5) Raymarine i70 displays on forward cockpit for environmental and navigation information

Nav Station

- Xantrex Link 2000 Battery Monitor
- Freedom X Inverter controller with Bluetooth
- Standard Horizon VHF
- ICOM IC-M710 Single Side Band Radio

Network

- Raymarine SeataalkNG with NEMA 2000 extension
- Starlink satellite internet for full-time boat wi-fi.
- Vesper Marine XB-8000 AIS send/receive, NMEA 2000 (2015)
- Vesper Marine antenna splitter (2015)
- Raymarine ITC-5 analog to NMEA 2000 convertor (2021)

Transducers

- Depth transducer
- Wind angle/speed transducer on top of mainmast (2015)
- Transducers connected to Raymarine ITC-5 for NMEA 2000 connectivity

Tanks and Sanitation

Fresh Water

- 200 gallon freshwater tank
- SHURflo Aqua King II Supreme 5 Fresh Water Pump (2020)
- Nature Pure, Under Sink Drinking Water Filter System (2021)
- Kuuma 6 gallon water heater (2020)
- Little Wonder Watermaker - 6-8 gallons per hour (pickled 2018)

Sanitation

- ElectroScan toilet in aft head (needs work)
- (1) 28 gallon holding tank in forward head with Manual flush toilet
- Forward Head Macerator pump with locked overboard discharge

Vessel Security and System Monitoring

Siren Marine vessel monitoring system installed 2022. Enables remote monitoring of vessel and systems from phone app. Can monitor current values plus receive alerts when values are out of specification. System can easily be expanded with wireless sensors and currently monitors -

- GPS tracking and GEO Fencing. Where is my boat?
- Main entry open/closed
- Shore power on/off
- House and starting battery voltage
- Bilge pump cycles and runtime
- High bilge alarm
- Cabin temp
- Freezer temp

Interior

Forward Stateroom and Head

- Full-size berth with real mattress
- Hanging closet
- Sail storage under berth
- Chain locker access

- Large overhead hatch
- Stateroom door for privacy
- Wet head shower
- Multiple head storage lockers
- Head has GFI AC power outlet
- Large mirror over sink
- Two storage lockers under sink counter with bilge storage access
- AC and DC outlets
- LED lighting
- Reading light and fan above the berth
- Fishing rod storage
- Access to speed transducer and seacocks plus extensive storage under floors
- Large overhead hatch
- 4 Portlights

Aft Stateroom and Head

- Full-size athwartship berth
- Large cedar lined hanging closet with external mirrors
- Two large storage lockers
- Four storage lockers located at the head and foot of the berth
- Three storage drawers under the berth
- Shelf storage along the aft of the berth
- Four LED dome lights surrounding the berth
- Large mirror over berth on lazarette enclosure
- Large overhead hatch
- ElectroScan head (Needs work)
- Full length mirror in head
- Separate shower stall with bench seat and storage locker
- Bright LED shower dome light
- Head has GFI AC power outlet
- Mirrored storage locker
- Under sink storage locker
- Large cedar lined hanging closet swings away to provide tremendous engine access
- Stateroom door for privacy
- Access to AutoPilot drive unit and steering quadrant under berth
- Access to prop shaft, packing gland, engine raw water and seacocks
- Ship's WiFi network router with external antenna
- AC and DC power outlets
- Large overhead hatch
- 9 Portlights

Salon

- L-shape settee with storage behind and underneath
- Settee pulls out to make a double berth
- Drop leaf table
- 110v Smart TV
- USB charger
- Extensive bar/wine storage
- Flip up side table with chair
- Multiple storage locker throughout
- 4 floor access hatches to large bilge storage
- Reverse cycle A/C - Heater, 12,000 btu Webasto (2023)
- Two large overhead hatches
- 6 Portlights
- 4 LED dome lights
- Stereo speakers

Nav Station

- Flip-up desk with storage
- Cushion bench seat with storage
- White/red chart light
- USB charging outlet
- 12 VDC outlet
- Multiple AC outlets
- Storage cubbies
- Instrument Panel with VHF, Link2000 battery monitor and Xantrex inverter remote controller with Bluetooth
- Fusion Audio AM/FM/Bluetooth/USB/Aux stereo
- Chart storage

Passageway

- 2 Portlights
- Workbench with over 20 storage drawers
- Extra large storage locker
- (2) large storage lockers underneath workbench
- 12 VDC and AC electrical panels
- MorningStar solar power monitor/control
- Air Breeze wind generator monitor/control
- 2 Engine compartment access doors
- Starting and House battery access under floor

Galley

- Over/Under Vitrifigo Stainless 110v/12v DW180 Refrigerator and DW70 Freezer (2015)
- Vitrigito Stainless 110v/12v DW100 stand-alone Freezer (2015)
- Force 10 LPG 3 burner stove and oven
- Compact microwave oven

- Little Wonder Watermaker under sink
- Quartz countertop
- Stainless steel sink
- Fresh water emergency tap with foot pump
- Hot/Cold fresh pressurized water faucet with sprayer
- Filtered drinking water tap

Engine Room

- 3 Access doors
- Extra large access via swing mounted aft hanging locker
- Removable companion way steps provides Air Conditioner access
- Shurflow 2500 GPH automatic bilge pump
- 2500 GPH bilge pump (backup - not wired or plumbed)
- Rule LoPro 900 GPH automatic bilge pump
- Whale manual gusher emergency pump
- Blower fan

Spares

Several thousand dollars' worth of spare parts including engine starter, propellor, anchor rode, head parts, extensive sail hardware and all water pumps.
